Marymount's camp will offer the very best instruction in the fundamentals of the game. Our goal is to provide a positive basketball environment that will enable you to grow as a player. Every facet of the game will be covered in our daily skill sessions and each camper will be given the opportunity to practice those fundamentals under staff supervision.

CAMP STAFF

Our staff is comprised of local high school and college coaches, as well as players from Marymount University and other local colleges. Each camper is assigned an individual coach for the week and there are conference commissioners who oversee each league, competition and lunch periods.
